On behalf of the Steering Committee, I am delighted to invite the Bank of Uganda Members of the TIMS and DMS Steering Committee to join us for the upcoming Strategic Management Workshop. This workshop has been rescheduled to take place in Madrid, Spain, from 6th to 10th May, 2024.

This workshop aims to facilitate strategic deliberations on the operations of GoU TIMS and DMS platforms. By gathering thought of leaders from all the stakeholders, we seek to foster collaborative discussions, share best practices, and explore innovative strategies for optimizing operations.

Bank of Uganda will be represented by the two nominated BOU representative members to the TIMS and DMS Steering Committee who are in copy of this communication. These representatives will take part in the workshop together with other members of the Government of Uganda TIMS and DMS Steering Committee.
